

ARPA FUNDS GRANT APPLICATION PROCESS

A deadline of March 1, 2022, to submit grant applications. After applications are received, they will go through a review process with ARPA Administrator, Mr. Duerfeldt. Mr. Duerfeldt will then present the applications with his recommendation to the County Board for their review process. This review process will include an allocated time period for public comment during a regular meeting of the County Board.

If after this review process, ARPA funds are still available, another grant application process will be established.
